NOTE:

Available in stainless steel upon request (standard material is spring steel).

NOTE:

Flanged collars are not a part of the standard spring assembly, but can be ordered from Hennig.
 Flanged collars **MUST** allow the spring to rotate during operation.
 Consult your Hennig Customer Service Rep for the proper flanged collar size and pricing.

NOTE:

The spring should be mounted so that chips and coolant flow from the largest diameter towards the smallest diameter.
